### Meet the Board Members

### Kim Clark, AAUW Funds, Website & Social Media

**How long have you been an AAUW member? Why have you chosen your time to dedicate to AAUW?**

I have been a member of AAUW for two years. I joined because my mother told me to, and we have a saying in my family, “You might as well do what Mom tells you to do the first time because you’re going to end up doing it anyway!” It has been a great decision. I’ve gotten to know a wonderful group of women and men and we support numerous worthwhile causes. I’ve especially enjoyed meeting our scholarship recipients.

**Which school did you attend and what did you major in?**

University of Michigan – B.S Mathematics and M.S. Information and Library Science

**Do you/Did you have a career? If so, what is/was it?**

I retired from Novi Community Schools as a math teacher and school media specialist.

**How do you like to spend your free time? Do you have hobbies?**

I love to read, volunteer, take OLLI classes, study Spanish, and fly a Cessna 120 with my husband.

**Do you play sports and/or exercise?**

I enjoy walking outside, cross-country skiing, snowshoeing, and working out at the gym.

**Do you have a favorite book, author, movie, or TV show?**

I have a ton of favorite books! I loved *All the Light We Cannot See*, *The Tenth Muse*, and *Where the Crawdads Sing*.

**What things do you like to do in the Ann Arbor area?**

I feel so fortunate to live in Ann Arbor. I love seeing visiting authors. Over the last two years, I have seen Colum McCann, Ann Patchett, and Pete Souza. My perfect Ann Arbor day is to fly in the morning out of Ann Arbor Airport and visit TeaHaus and Literati in the afternoon.
