

AAUW Ann Arbor Meet the Board Members

Allison Boone Green, College/University Partners Chair

What is your current work title and employer or retired from information?

Instructor, Department of Leadership & Counseling at Eastern Michigan University

How many years have you been an AAUW member? Why have you chosen your time to dedicate to AAUW?

This is my second year being a member of AAUW. In 2018, I had the opportunity to visit AAUW National Headquarters with a group of EMU students. I was so impressed with the history and mission of the organization; I knew I wanted to become involved!

When I got back to Michigan, I quickly looked up and joined the local Ann Arbor chapter. I am so appreciative of the opportunity to work and spend time with such a diverse and cross generational group of amazing women!

Which four individuals, living or dead, would you like to eat dinner with the most?

My eclectic dream dinner party would include Michelle and Barack Obama, Abbi Jacobson, and Ida Street. (Ida Street was the very first fellowship recipient from AAUW. In 1888, she received a \$350 scholarship, which covered the entire cost of her graduate education at the University of Michigan!)

What is a fun or interesting fact about your hometown?

It is actually hard for me to claim just one hometown. Growing up, my family moved around quite a bit for my parents' jobs but also their hobby of restoring old houses. By the time I left for college, I had lived in 18 different houses in 5 different states!

If you could only eat 1 meal for the rest of your life, what would it be?

I love tacos! There are so many different ways to prepare them - I would happily eat them for the rest of my life.
