## Meet the Board Members

---

### Marti Throckmorton, Recording Secretary

#### **What is your current work title and employer or retired from information?**

I retired from the corporate world after a 40 year career. I've jokingly said that I worked in every department except Human Resources and Accounts Receivable. I was working in manufacturing supply chain when I retired as Manager of Procurement and Logistics. I am now working as a customer service representative at Zingerman's Mail Order, which is great fun and very rewarding.

#### **How many years you have been an AAUW Ann Arbor member and why have you chosen to dedicate your time AAUW?**

I have been a member for about 3 years. I was attracted to the organization by the book sale. After I studied the mission, I knew I had found an organization with goals I could enthusiastically support. I was also delighted that I made so many new friends in AAUW!

#### **If you were a crayon, what color would you be?**

Hot Magenta, because it is vivid, showy and it grabs your attention!

#### **What's your favorite famous or inspirational quote?**

I would like to share two quotes:

- 1) "Know thy history. Let it horrify you. Let it inspire you. Let it show you how the future can look, for nothing in this world has not come around before." Rhiannon Gideons, Musician
- 2) "The smallest act of kindness is worth more than the greatest intention." Khalil Gibran
